

FeedOS Developer Notice

Green Exchange

Notice Reference	20110121
Scope	Some NYMEX Instruments
Exchanges	NYMEX
Effective Date	2011-01-23
Impact	New MIC, New Instruments Code

Dear FeedOS developer,

Please be advised that starting the 2011-01-23, the existing NYMEX emissions products (Green products) will be de-listed on NYMEX and will be listed on Green Exchange.

These instruments' FOSMarketId will become **GREE**, and the instruments internal code will change.

For further details, please refer to attached Market Announcement.

N.B.: Any customer wishing to consume GreenX market data should inform QuantHouse
