Dear FeedOS developer,

Please be advised that starting the 2010-02-22, the following referential tag will have new values,

11054 = MARKET_EURONEXT_IndicatorOfUnderlyingSecurityOnLending (type String)

This tag indicates whether the security listed underlies any loan contracts, meaning it has been admitted to the Deferred Settlement system and/or to the lending market. It can have the following values:

Exchange Value	Description
0	Instrument neither eligible for the SRD, nor eligible for the Loan and Lending Market.
1	Instrument eligible for the SRD and for the Loan and Lending Market.
2	Instrument eligible for the SRD long only.
4	Easy-to-borrow Instrument eligible for the SRD and for the Loan and Lending Market.
8	Non significant.
